

**Report on activities
of CF “My Home” for
2014**

***DEAR FRIENDS, COLLEAGUES, LADIES AND
GENTLEMEN, BROTHERS AND SISTERS!***

***Thank you for your prayers and help in 2014 and we'd like
to share what "My Home" was able to do for orphans and
children deprived of parental care and adoptive families
with your support.***

With the Foundation's support 15 children were placed in families, including 2 children with special needs

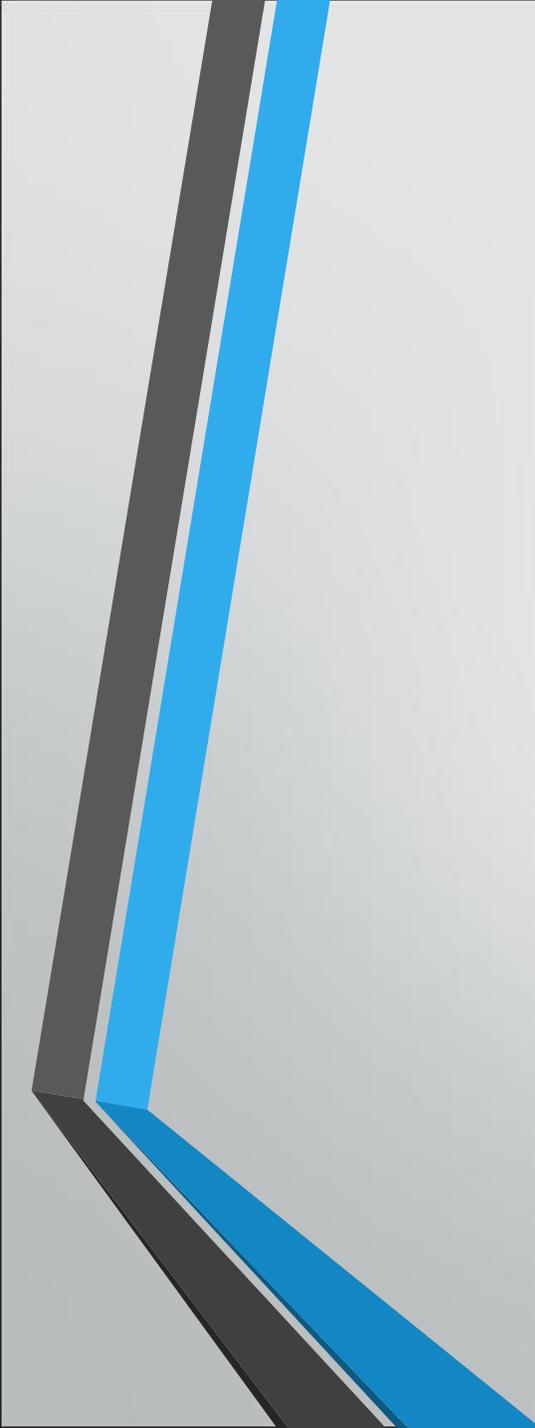

The total of 83 families who became native to former orphans continue to receive material and psychosocial support through “My Home” in 2014

Medical direction

- 1.** Two children from “My Home families” have received significant financial support for complex surgeries this year.
- 2.** Financing was provided for diagnosis and treatment of complex disease for a member of one of our families (one of the parents).
- 3.** A graduate of Tsjurupinsk orphanage got full correction of teeth deformity.
- 4.** Assistance was provided for Gornostayevka and Tsjurupinsk district hospitals in the form of medical equipment and supplies.

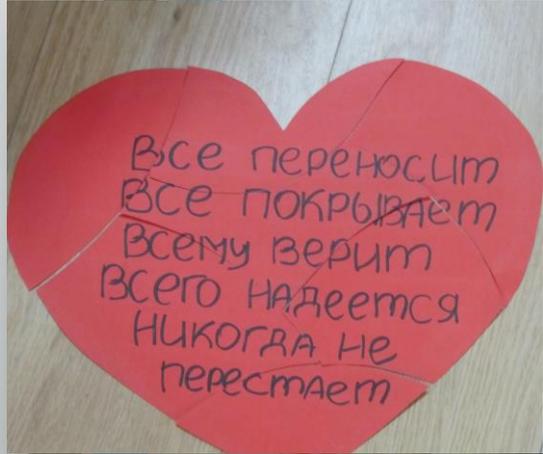

Events in Tsjurupinsk orphanage

Birthday celebrations each quarter

Feast of Love on February 14 (to talk about the unconditional love of God for each person)

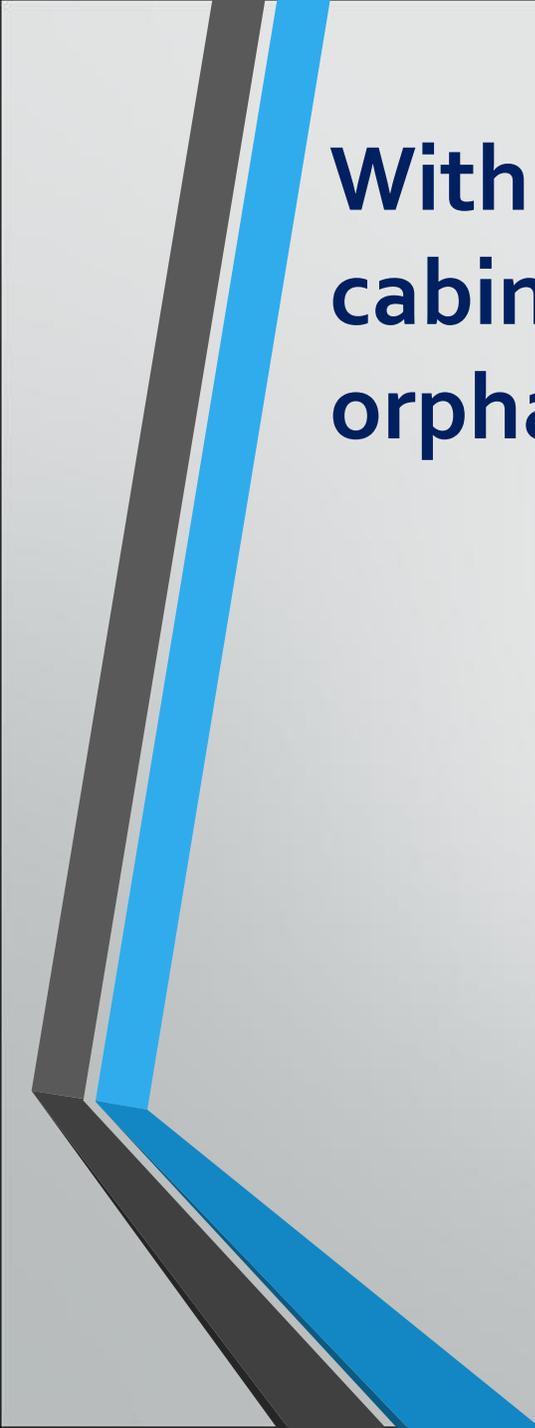

A master class on decoupage and quest around the territory of the orphanage

Organizing a lecture titled “The Truth about dinosaurs”, canis therapy for children with the participation of “Sirius” Dog Training club from Kherson

With the help of friends we bought refrigerator cabinet and kitchen accessories for Tsjurupinsk orphanage and medical equipment for the Regional Orphanage

During summer the Foundation took active part in organizing summer camps for orphans and children deprived of parental care

New starts of 2014

- Family Social Center “My Home”
- Participation in International Marathon
 - Week-end for couples
- Assistance to people forced to move from the zone of ATO and the military
 - Changes in “My Home” team

Also it is planned to create a training center on the base of "My Home" Family Center where conferences, seminars and workshops will be held with the goal to improve the knowledge and qualification of parents and future adoptive parents, employees of social services, volunteers, pastors and church ministers in the area of working with orphans, crisis families and matters related to upbringing of children.

Family Social Center "My Home"

Our dream is to open a new Church that will be attended by people living in the neighborhood of the Family Center. To make this goal a reality it is planned to reconstruct a hall for church services to accommodate up to 100 people.

CF "My Home" has for the first time received public support and recognition of the idea of projects aimed at family placement of orphans with disabilities for the first time at the Kiev International Marathon organized by All-Ukrainian Alliance "Ukraine without orphans"

Together with I'M FAMILY Company we organized a weekend for couples where parents had the opportunity to develop and strengthen their relationships and plunge into the world of romance and feel the notes of first feelings

“My Home” has assisted more than two hundred refugees from Donetsk and Lugansk regions affected by hostilities and joined the volunteer movement to support Defenders of Motherland

We changed the format of our team this year. Andrei Somov was elected as head of “My Home” Foundation

With the purpose of focusing public attention on the problems of orphans in Ukraine and child protection, the members of "My Home" team repeatedly participated on TV programs of this direction and spoke in government institutions.

11 of our families took part in the conference titled "Strengthening families" that was organized by the Alliance "Ukraine without orphans"

We took part in organizing celebration of Family Day in Kherson

My Home

We conducted a series of seminars and workshops for the Foundation's families where parents received knowledge and skills on parenting and relationship in marriage

Члени команди активно приймали участь у різних заходах, присвячених Дню молитви за сиріт: розповсюдження інформаційних матеріалів, молитовне зібрання на центральній площі м. Херсона, виступ у телепередачі, присвяченій Дню молитви за сиріт, на херсонському телеканалі «Скіфія».

We organized a two-day training for employees of Social services centers for families, children and youth of Kherson region on the subject of "Assessing the needs of families in challenging life circumstances"

We turn to you, dear friends, to all those who can and want to support "My Home" ministry, and along with it the creation of "My Home" Family Social Center project. All of your efforts are very important for us and its young participants, whether financial or other support, prayers or volunteer help.

May God bless each of you, your families, your homes and your children! May our hearts be united in service to God, people, society and Ukraine!
